St. Paul's Cathedral from the Straw Wharf. This is perhaps the finest view obtainable of the splendid dome of Wren's great church, begun in 1675, opened for Divine service in 1697, and completed in 1710. It is difficult, owing to the pressure of streets and houses upon it, to find a point of view whence its noble proportions can be realised, but this is admittedly the best view of it that can be found.
